(Instrumental Folio). If you've been playing viola for a little while, you are probably eager to learn some familiar songs. This book includes a wide variety of favorite songs, from pop hits and movie themes to classical melodies and folk songs, many of which originally featured viola! Songs include: All of Me \* All You Need Is Love \* Circle of Life \* Fight Song \* Happy \* I Will Always Love You \* Just Give Me a Reason \* Let It Go \* Perfect \* See You Again \* This Is Me \* Uptown Funk \* Viva La Vida \* You Raise Me Up \* and more.

Music moves through time; it is not static.

In order to appreciate music we must remember what sounds happened, and anticipate what sounds might come next. This book takes you on a journey of music from past to present, from the Middle Ages to the Baroque Period to the 20th century and beyond!

Dulcimer Jam takes common and obscure tunes heard in jam sessions and arranges them for hammered dulcimer, fretted dulcimers (with tablature), and other instruments to play in a jam session setting. (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody present-

ed in the right hand of the piano part, as well as in the vocal line.

Learn from the music of Bill Monroe, Bobby Osborne, Jesse McReynolds, Frank Wakefield and John Duffy. Covers everything from simple basics to fancy fingerwork.

Following up on the phenomenal success of the groundbreaking "Join The Jam" series for mountain dulcimer, Stephen Seifert has now introduced a new book of arrangements. "Join The Jam, Ukulele Edition" is a superb introduction to classic "jam tunes", designed to introduce even the most pop-oriented ukulele player to

the joys of old-time music. Complete with melodies, lyrics, chord symbols, and tons of fun, this exciting book is compatible with the dulcimer books "Join The Jam" series. Each tune is presented in a traditional key, so you'll be able to use these arrangements as you play with most any jam group!

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. "Move over, John Green; Zentner is coming for you." —The New York Public Library

"Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*." —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking." —Paste-Magazine.com "A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands

it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.”—New York Times

(Piano Solo Sheets). Piano solo sheet music for the 1960 instrumental written and performed by Floyd Cramer.

The Nashville Number System was originally written and published in 1988 by Chas. He has rigorously updated and edited the book for each of 7 subsequent editions.

Featured here is the 2005 printing and 7th edition of The Nashville Number System; expanded with the inclusion of the cd/cd rom, String Of Pearls. By word of mouth, it has become the most recommended source for learning the Number System. The Nashville Number System is used as a text at Berklee College of Music, in Boston, Belmont University, in Nashville, and MTSU in Murfreesboro, TN. SYNOPSIS In the late 50's, Neil Matthews devised a musical number system for the Jordanares to use in the studio. Charlie McCoy and fellow studio musicians began adapting Matthews' number system into chord charts. The Nashville Number System has evolved into a complete method of writing chord charts and melodies---combining Nashville shorthand with formal notation standards. The Nashville Number System is 130 pages with a step by step method of how to write a Nashville number chart for any song. Included with each NNS book in Edition 7 is the cd, "String Of Pearls". This is a 10 song cd of instrumentals, including, Amazing Grace. I walk you through the details of each song and explain the Number System tools used to write the charts. Now, while listening to the cd, you can see and hear

how Nashville number charts work. *String Of Pearls* is an Extended CD (CD ROM). As well as high quality audio that will play in your cd player, you can insert the disc into your computer and watch animated number charts as you listen to the songs. On the cd rom, there is a click track with each song and a highlight moving from chord to chord in time with the music. You can see exactly how to count each measure in real time with the music. Counting bars is probably the hardest part of the number system to teach. With this cd rom, you will be able to see, hear and feel how these charts work.

The first major biography of the Carter Family, the musical pioneers who almost single-handedly created the sounds and traditions that grew into modern folk, country, and bluegrass music. Meticulously researched and lovingly written, it is a look at a world and a culture that, rather than passing, has continued to exist in the music that is the legacy of the Carters—songs that have shaped and influenced generations of artists who have followed them. Brilliant in insight and execution, *Will You Miss Me When I'm Gone?* is also an in-depth study of A.P., Sara, and Maybelle

Carter, and their bittersweet story of love and fulfillment, sadness and loss. The result is more than just a biography of a family; it is also a journey into another time, almost another world, and theirs is a story that resonates today and lives on in the timeless music they created.
