INTELLECTUAL PROPERTY: DO BOARDS KNOW THE RISKS?

This means Boards need to ensure their products have Freedom to Operate or "FTO". FTO occurs when a company is not infringing third party intellectual property (IP) rights - in other words you have freedom to operate your technology, product or service. If you do not have FTO it means you are infringing someone else's IP.

Intellectual Property in the Board Room - ipstrategy.com Intellectual Property (IP) is one of the most valuable assets of an innovative company. However, IP is very complex and it can be challenging to manage cost-effectively. As a board member, you oversee that the company's funds are spent optimally and the company is taking steps to avoid legal disputes.
